- 

## Professional Experience

### Undergraduate Instructor for Introduction to Informatics (INFO-I 101)

August 2024 - Present

*Luddy School, Indiana University Bloomington*

- Instruct the Introduction to Informatics lab for 64 students across all grade levels, fostering an understanding of career opportunities in informatics and promoting its accessibility to everyone
- Teach topics such as underrepresentation in technology, HTML/CSS, Python, Figma, and data visualization

### President Elect

December 2024 - Present

### External Relations Executive

January 2024 - Present

*Women In Computing, Indiana University Bloomington*

- Communicate events and information with current members and outside students/faculty for Women in Computing; an empowerment club for women in technology through the Luddy School
- Train under current President in event planning and organization development to ensure a smooth leadership transition

### Serve IT Intern

January 2025 - Present

*Laurie Burns McRobbie Serve IT Clinic, Bloomington, Indiana*

- Volunteer at a local nursing home to assist senior citizens in technology challenges and enhancing digital literacy
- Employ Agile methodologies and Trello for project management, ensuring effective team collaboration and progress tracking

### Information Security Intern

May 2024 - August 2024

*Do it Best, Fort Wayne, Indiana*

- Created an automated workflow, in response to delivered malicious emails, using custom queries, alerts, and detections, ultimately decreasing the security team's threat response time
- Developed and executed a successful phishing campaign, enhancing employee cybersecurity awareness
- Gained practical experience with Splunk, PowerShell, LogScale Query Language, and JSON

### Technology Consultant

January 2024 - December 2024

*University Information Technology Services, Indiana University Bloomington*

- Provided technical assistance to students with desktop and mobile computing device platforms, software, and both Windows and Mac operating systems

### Information Technology Intern

August 2022 - May 2023

*Ear Nose and Throat Associates, Fort Wayne, Indiana*

- Assisted in computer and laptop imaging, edited user permissions in Active Directory, maintained servers, and collaborated with colleagues to troubleshoot IT related issues

### Head Swim Coach

Summers 2022 & 2023

*Autumn Ridge Swim Team, Fort Wayne, Indiana*

- Led a team of 70 inexperienced children in learning to swim, fostered a positive team environment, and communicated effectively with parents and staff
